MADAMEX X? the Unknown Quantity Can you solve this Human Equation

A mother's love for her son, who had believed her dead for twenty years, lifting her outof her character of a woman of the streets, causing her to commit a murder to save him from possible disgrace and making her willing to be convicted at her trial, rather than tell the story that might save her.

She followed the bitter trial to its end. And then when recognition and forgiveness ca th snatched her hand, won victory,

man's love deeper and more lasting than man's?

Pauline Frederick (Jacqueline Floriot) answers the question in Madam X. You will follow her life story with wet eyes and quivering lips so near is it to perfect realism. Don't miss this drama of deep passions. The greatest play ever presented on screen
