# WE ARE... THANKFUL

—For friends and a Reasonable amount of Prosperity we are Thankful. . . . .

——For Souls which, tortured by the hard pace of Life's highway, stand the strain and never waver, we are Thankful.

—For that abiding faith in Him from whom all strength and blessings flow, to know that whate er our lot, it all but goes to make our lives complete, we are Thankful.

May it ever be, that all with us may feel the urge to Thankfulness, not only at this season, but everyday. For our blessings are more numerous than the days of our existence and He is the Giver of each good and perfect gift.
