DISCLAIMER: This report provides a snapshot of the Fort Worth Police Department's National Incident-Based Reporting System (NIBRS) data that was queried from the Records Management System (RMS) on October 10, 2023. The Department's RMS is updated regularly due to ongoing investigations. Since this is a snapshot, data queried before or after this date could change and may vary from other reports.

Understanding Crime Reporting

Fort Worth has utilized the National Incident-Based Reporting System (NIBRS) methodology for crime reports since 2006. NIBRS compiles detailed reports on two types of crime offenses: Group A offenses and Group B offenses. The groupings are based on the amount of reporting required for each. Both incidents and arrests are reported for Group A offenses. To learn more about the differences between NIBRS and the Uniform Crime Reporting (UCR), the formerly used Uniform Crime Reporting (UCR) methodology, please visit <https://www.fbi.gov/services/cjis/ucr/nibrs>.

The following criteria is used to determine whether a crime should be designated as a Group A offense:

1. The seriousness or significance of the offense.
2. The frequency or volume of its occurrence.
3. The prevalence of the offense nationwide.
4. The probability of the offense being brought to law enforcement’s attention.
5. The likelihood that law enforcement is the best channel for collecting data regarding the offense.
6. The burden placed on law enforcement in collecting data on the offense.
7. The national statistical validity and usefulness of the collected data.
8. The national UCR Program’s responsibility to make crime data available not only to law enforcement but to others having a legitimate interest in it.

Group A offenses are categorized into one of three categories: 1) Crimes Against Persons, 2) Crimes Against Property, and 3) Crimes Against Society.

- 1) Crimes Against Persons = Scores one offense for each victim
- 2) Crimes Against Property = Scores one offense for each distinct operation
(except Motor Vehicle Theft / one offense is counted per stolen vehicle)
- 3) Crimes Against Society = Scores one offense for each violation

NIBRS Group A includes the following offenses:

• Homicide Offenses
• Sex Offenses, Forcible
• Sex Offenses, Non-forcible
• Robbery
• Assault Offenses
• Burglary / Breaking and Entering
• Larceny / Theft Offenses

Crime Prevention Strategies

Commanders in each patrol division take preventative steps to address any increase in crime such as aggravated assaults, burglaries and motor vehicle thefts. All patrol divisions have strategic operating funds (SOF) used to address crime in their areas. Commanders work with the Real Time Crime Center, Crime Analysts, and Neighborhood Police Officers to identify emerging trends and hotspot areas. Commanders keep track of previous crime trends and put officers in those locations to prevent crime from occurring. There is constant collaboration with other units within the department including Gang, Narcotics, Vice, Homicide, Robbery, and Family Violence in an effort to reduce and solve crime.

Chief Neil Noakes introduced the [#FortWorthSafe](#) strategy in 2021 and it continues into 2023. The crime reduction strategy focuses on violent crimes such as homicide, robbery, shootings and aggravated assault. Below are the strategy’s Goals and Objectives:

1. Decrease overall violent crime in the city by 10% in the next 12 months.
2. Focus on decreasing homicides, aggravated assaults and robberies.
3. Improve neighborhood conditions in areas experiencing most violent crime.
4. Improve police-community relations and communication.

2023 3rd Quarter - Crimes Against Persons

Crimes Against Persons increased 1.5% overall in the Third Quarter of 2023 compared to the Third Quarter of 2022. There were decreases in human trafficking, murder, and nonnegligent manslaughter. There was an increase in forcible rape.

Murder & Nonnegligent Manslaughter and Negligent Manslaughter Quarterly Stats

In the Third Quarter of 2023, homicide offenses **decreased** 15.6% with 27 homicide victims compared to 32 in the Third Quarter of 2022.

Eight of the 27 incidents had an unknown motive, five incidents were robberies, (four of the five robberies were narcotics related), five incidents were arguments/fights, three were domestic, three were gang related, one was reckless/negligence, one had an other motive, and one was random. The three gang related homicides were a triple homicide.

Twenty of the 27 homicides have been filed. Suspects have been identified in 22 of the offenses.

Six homicides occurred in Council District 11, four in Council District 3, three each in Council Districts 5, 6, and 9. Two each in Council Districts 2, 4, and 8, and one each in Council Districts 7 and 10.

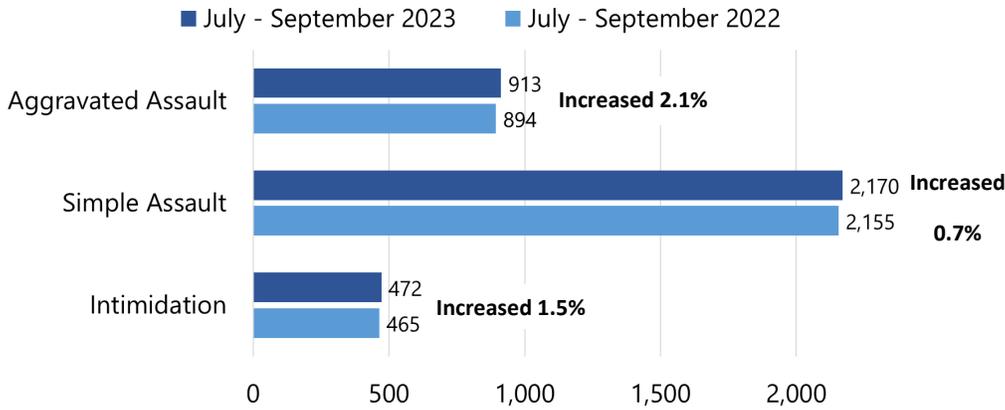

20 of the 27 homicides were by a firearm.

Homicide Prevention Strategies

FWPD's homicide prevention strategies involve various partnerships. Neighborhood Police Officers, the Victim Assistance Section, and One Safe Place provide outreach services to prevent domestic violence crimes that have the potential to turn into a homicide. In addition, the Homicide Unit works closely with the Crime Lab as policies have changed allowing for more timely entry of ballistic intelligence into the Bureau of Alcohol, Tobacco, Firearm's (ATF) National Integrated Ballistic Information Network (NIBIN) to more readily identify persons who may be involved in violent offenses. The Homicide Unit also continues to work with members of the Gang, Narcotics, and Robbery Units where other criminal activity may elevate to homicide.

Assault Offenses

Major Cities Comparison

July-September 2023 data was not available at the time this report was published. Data through September will be included in the 2023 Fourth Quarter Crime Report. The following graphs are a comparison (January - June 2023) of Fort Worth (population of 956,709) to benchmark cities with either a similar population or proximity. Comparable cities with their population noted in parentheses include: Dallas, TX (1,299,544), Austin, TX (974,447), El Paso, TX (6717,456), Charlotte-Mecklenburg, NC (897,720), Columbus, OH (907,971), Jacksonville, FL (971,319), and San Francisco, CA (808,437). The population data source is the U.S. Census Bureau. Crime offense comparable data source is the Major Cities Chiefs Association. The offenses compared include homicide, rape (NIBRS offenses 11A, 11B, and 11C), robbery, and aggravated assault.

Department Initiatives

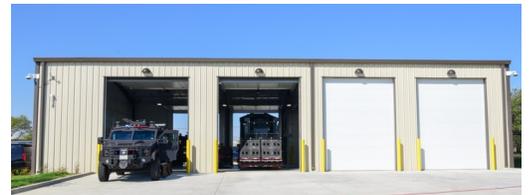

Fort Worth PD Secures DNA Grant Funding

The Fort Worth Police Department received \$787,330 out of \$2,095,653 in grants awarded to Fort Worth Area Agencies from the Department of Justice’s Capacity Enhancement for Backlog Reduction Program to reduce DNA and rape kit backlogs. The program is part of the 2004 Debbie Smith Act to provide local and state crime laboratories with resources to end the backlog of untested DNA evidence from unsolved crimes, analyze DNA samples, and increase the capacity to process DNA to guard against future backlogs.

Vehicle Storage Facility Grand Opening

The Fort Worth Police Department held a grand opening of the new Vehicle Storage Facility at Bob Bolen Public Safety Complex on September 28. Mayor Mattie Parker and councilmembers attended the event. The \$1.9 million-dollar project was funded by the Crime Control and Prevention District and was designed by Elements of Architecture Inc. and constructed by West Fork Construction LLC. The 5,576 square foot facility is a dedicated storage space for a variety of specialized vehicles, enhancing the capacity for equipment storage and maintenance.

Women in Law Enforcement Conference

Approximately 500 women police officers representing more than 121 law enforcement agencies around the country attended the Women in Law Enforcement Conference at the Bob Bolen Public Safety Complex. The Fort Worth Police Department hosted the event in September. The officers had classroom, hands on, shooting, and scenario training.

World Police and Fire Games

FWPD Bike Patrol Officers Kynrick Koralewski, Marcus Mendoza, and Ruben Silva (pictured left to right) competed in the World Police and Fire games July 29-August 4 in Winnipeg, Canada. Officer Mendoza received silver medals in the 40-49 Men’s Street Criterium and the Men’s team trial. The World Police and Fire Games is an Olympic-style competition with more than 8,500 athletes representing law enforcement, firefighters, and police officers from more than 50 countries across the world competing in more than 60 unique sports.

Lone Star Elementary Patriot Parade

Fort Worth Police were among several first responder agencies that participated in the Lone Star Elementary School Patriot Parade on September 8, 2023 in north Fort Worth. The event commemorates the heroism of First Responders for their actions on September 11, 2001. The students shook hands, gave fist bumps, and thank you cards to officers in appreciation of their service.
