

Community Members Support Teresa Rutherford for Precinct 3331 Chair

February 17, 2024

Dear Friends and Neighbors,

We are a group of conservative concerned citizens who know Texas is at a crossroads and we need our best soldiers working to keep Texas red in the 2024 election year.

We have a problem in the precinct you live in, Precinct 3331. The current Republican Party 3331 Precinct Chair:

- Missed 85% of Tarrant Co. Precinct Chair Meetings (missed 11 of the last 13 meetings).
- Openly displays antisemitism and frequently posts her hatred of Israel on social media, which is in direct violation of the Texas Republican Party Platform (page 38, Plank 271).
- Runs social media pages that actively attack conservatives.

The candidate we are supporting for Precinct 3331 Chair is Teresa Rutherford. Teresa has served in this capacity before, and dutifully fulfilled her obligations. She is ready to serve us again as our Precinct 3331 Chair and we are blessed to have her. Teresa's qualifications include:

- 40+ year record of being deeply committed to keeping Texas red
- 10-year Precinct Chair and Election Judge
- 22-year Texas Republican State Convention Delegate
- Served on Texas GOP State Convention Rules and Resolutions Committees
- Current member & Legislative Chair of Tarrant Star Republican Club
- Current member of the Metroplex Republican Club
- Co-founded and served as President of Republican Women of North Texas

This race will be at the very END OF YOUR CANDIDATE BALLOT BEFORE THE PROPOSITIONS. Please vote Teresa Rutherford for Precinct 3331 Chair. Learn more at www.rutherford4colleyville.com.
